INVESTMENT FEES – STANDARD

As your adviser I will be paid by you for the advice I give you both initially and ongoing.

You will not incur any fees until we have agreed what they will be.

The sections below set out the different ways in which I can calculate the correct level of fee for the initial advice. Only one of these will apply and once I have a better understanding of your situation, I will confirm the appropriate fee structure and be able to give you the actual fee amount that will apply to you.

We will act as the intermediary between the product provider(s) and you with a view to arranging the purchase of the Retail Investment Products as we have agreed.

Unless otherwise explained the fees below will cover a full advice process: understanding your current situation, objectives, attitude to risk, research to identify suitable solutions, documenting our recommendations and implementing the agreed solutions.

Fees for the design, production and implementation of a financial strategy are calculated as follows: -

Initial Fees

1. Percentage of amount invested

In Respect of Lump Sum Investments and Single Premium Pensions

The fee is calculated according to the size of the transaction, as set out below:-

- 3% on first £150,000,
- 2% on the next £100,000 and
- 1% on any balance

Our typical charge is 3% of the sum invested, which for an investment of

- £75,000 would be £2,250; and for
- £100,000 would be £3,000

As there is a minimum amount of work involved with even relatively small sums to be invested, the percentage is typically higher for smaller investments, such as with an ISA.

Should you invest through regular contributions, our range of fees taken over 12 months are:

- 50% of the first £250 of monthly contributions
- 30% of the next £500 of monthly contributions
- and 10% over £750pm

Our typical fees are 50% of the first year's contributions.

For regular contributions of £150 per month, this would equate to £900.

(12 x £150 x 0.5)

For regular contributions of £300 per month this would equate to £1,680.

(12 x £250 x 0.5 plus 12 x £50 x 0.3)

The fees outlined above are raised when the investment is made and it is likely that no VAT is due on these fees.

If you ask us to stop work after agreeing to these charges you will be invoiced for the time spent on your case before we receive your instructions using the hourly rates detailed below.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

2. Hourly Rate

Our fee may be based on the amount of time involved to undertake work at the following hourly rates:

- Advice - Diploma £200
- Advice - Chartered £400
- Para planning support £75
- Travel and Administration £50

Based on our experience and the anticipated complexity of your circumstances we will give you an estimate of the cost for pieces of work in advance of starting chargeable work and will not exceed this estimate without your clear agreement. Travel time is charged if meetings are not held in our offices.

The typical time involved to complete the advice process in our offices by a diploma qualified adviser for a client with a single investment or to set up a pension arrangement will be:

- Adviser – 6 hours at a cost of £1,200
- Paraplanner – 5 hours at a cost of £375
- A total of £1,575

If you ask us to stop work after agreeing to these fees you will be invoiced for the time spent on your case before we receive your instructions. If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

3. Fixed Rates

We offer a range of advice services at fixed rates, set after an initial consultation. Full details of all fixed price services available will be provided on request but our typical fees for two levels of Financial Review are:

A. Full Financial Review £1,500

A fully documented review of a your assets and liabilities and net worth; current and projected income and expenses (e.g. projected into retirement); insurance policies, retirement provision and other investments, including an analysis of current product and fund features and estimated inheritance tax liabilities with generic recommendations to meet the your broad financial objectives.

B. Basic Financial Review £750

A simple documented review of current arrangements in relation to your objectives, orientated to meet a particular need (such as retirement income) with generic recommendations.

If no further work is undertaken leading to an actual investment; it is likely that VAT is due on these fees.

Charges calculated using an hourly or fixed rate may be paid directly or be converted to a % of a subsequent investment, facilitated by the Product Provider.

Minimum Fees & VAT

The fees outlined above are raised when the investment is made and it is likely that no VAT is due on these fees.

Any variation to this amount will be confirmed in writing to you before proceeding further. This may be for example for larger or more complex loans, or where your personal situation is more complex regarding income sources, taxation, residence and credit rating.

If you ask us to stop work after agreeing to these fees you will be invoiced for the time spent on your case before we receive your instructions using the hourly rates detailed overleaf.

- After agreeing the fees, but before we do any work = 0% of agreed fees;
- After we have started researching your current arrangements and/or solutions, but before designing a solution = 25% of agreed fees;
- After we have started designing a solutions, but before we present our recommendation = 50% of agreed fees
- After we have presented our recommendation, but before we start implementation = 75% of agreed fees
- After starting the implementation process = 100% of agreed fees.

If detailed recommendations with illustrations have not been provided and discussed with you at this point; it is likely that VAT is due on these fees.

ONGOING SERVICES & FEES - INVESTMENTS

Set out below are the detailed elements for the indicative levels of ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate. Our fees for these services can be seen below.

Financial Management Service	Where client's portfolios grow in terms of value, and potentially complexity, these need to be managed and reviewed appropriately. Building on our annual review services, this offering has more frequent reviews and opportunities to ensure clients are kept informed of performance, and plans maintained in line with client's circumstances and objectives. This may well include consultations with other specialist advisers.
Financial Planning Service	A comprehensive service aimed at initial analysis, recommendation, and implementation in line with a client's immediate needs. With ongoing review and recommendation, this is a service to adapt to a client's changing needs and circumstances.
Financial Advice Service	A straightforward advice service typically centered on immediate client issues and needs that require initial analysis and recommendations. With ongoing review delivered remotely and via advisory updates, this still brings client awareness and peace of mind.

At a review, we will cover:

- Assessment of personal circumstances. Review of your goals & objectives
- Reassessment of your attitude to investment risk/return & market sectors (asset allocation)
- Review of investment performance & holdings
- Utilise the right tax wrappers, ownership, and tax allowances available to you
- Valuations & investment commentary
- Where appropriate, recommendations to keep your new/ existing plans in line with your objectives

Advice on new investments/savings will be subject to our *initial fees* as shown under our Investment fees - standard section earlier. Service will include recommending changes to existing investments to help meet your goals at an acceptable level of investment risk, providing fund analysis and valuations and a wide range of associated ad hoc services.

All service levels include a review, it is simply the style and frequency that alters as shown in the table overleaf:

On Going Service Offering	Financial Management Service	Financial Planning Service	Financial Advice Service
Keeping you informed with pertinent and relevant information	YES	YES	YES
Annual valuation of plans invested via Lifetime Wealth	YES	YES	YES
Telephone and email access to your adviser included	YES	YES	YES
Option of an annual telephone review of your plans	YES	YES	YES
Annual Face-to-Face review meeting, including financial planning	YES	YES	NO
Half Yearly Face-to-Face review meeting	YES	NO	NO
Liaising with your other professional advisers i.e. legal, accountancy without extra charge	YES	NO	NO
Annual Service Charge	0.95	0.8%	0.5%

Please note that as the fee is charge as a percentage of the investment value, the actual amount we received will fluctuate in line with the value of your portfolio.

Alternatively, for clients and their families with more complex financial arrangements likely to need a range of support services over time such as IHT planning, remortgaging, taking retirement benefits over time and regular cash flow monitoring, we may agree a monthly retainer that reflects the service required, paid by standing order or direct debit. A typical fee will be £100 per month. Details are available on request.

Examples of Ongoing Fees

If we look after you via our Financial Management service (as detailed above) & your investments are valued at £150,000, our fee is 0.95%. Therefore the annual payment to us will be £1,425.

If we look after you via our Financial Planning service (as detailed above) & your investments are valued at £80,000, our fee is 0.8%. Therefore the annual payment to us will be £640.

If we look after you via our Financial Advice service (as detailed above) & your investments are valued at £50,000, our fee is 0.5%. Therefore the annual payment to us will be £250.

If we look after you via our Portal service (as detailed above) & your investments are valued at £50,000, our fee is 0.75%. Therefore, the annual payment to us will be £375.

Impact of Fees

When you make an investment there will be costs involved which will impact on your investment returns. These costs will typically comprise of the platform charge, the fund managers charge and our advice fee. As a typical example these charges may amount to 2.5% a year, so your investment return will be reduced by this amount each year. Your personalised illustration will clearly show the actual costs that will apply to your investment.

AD HOC FEES/ WHERE NO ONGOING SERVICE IN PLACE

If you do not wish to subscribe to an on-going service, we provide many services on an 'ad-hoc' basis. Should you require any services as noted below, or bespoke work to be carried out, we will be able to tailor a specific service. **Please note that implementation fees are in addition to the examples shown below.**

An additional fee may be required, typically calculated in accordance with our hourly rates, as shown at the bottom of the table below.

Prior to any work being agreed and carried out we will give an indication of the approximate amount of time that these tasks might take. These additional fees might be paid by single payment (e.g. by cheque), charged from your investment plan(s) or via regular monthly retainer payments (e.g. standing order).

Fees will depend on individual circumstances, but are typically:

Face-to-face meeting to review your financial planning, confirm your existing provisions, and identify areas of need and/or concern	£750
Analysis, advice and recommendation to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution)	£750
Additional research fee per existing pension scheme	£250
Advice on withdrawing money from your retirement funds	£500
Regulatory & taxation updates	£49 p.a.
Annual valuation	£152
Annual risk profile questionnaire	£252
Annual telephone advisory update	£403
Additional reviews per session	£400

For example - A client wishes to invest £100,000 and does not wish to be part of our ongoing advice services. The fees from the table that would typically apply are: 'Face to face meeting' to review your financial planning, confirm your existing provisions, and & identify areas of need and/or concern = £750 plus 'Advice and recommendation' to address an agreed area of need / concern (e.g. retirement planning, estate planning, investment solution) = £750 plus

Implementation fees will also apply as per the standard fees (e.g. 3% of £100,000) = £3000

Total fee = £750 + £750 + £3,000 = £4,500

Please note that these services on their own are likely to attract Valued Added Tax (VAT), in accordance with current HMRC (Her Majesty's Revenue and Customs) guidelines.

Where any of the above services are included in an ongoing service option, you will not be charged separately for these services.

ONGOING SERVICES & FEES

Set out below are the details for the ongoing service that we deliver to our clients. You can if you wish to, add or enhance levels of service with your adviser if you feel appropriate (usually for an agreed fee).

There is no fee for the following level of service, as we will have been paid commission from the mortgage lender or insurance provider at inception of your mortgage or protection plans.

1. **Communication** - In order to provide you with a high-quality service we may want to contact you regarding items we consider are of interest to you, or to make you aware of new opportunities. If this happens, we would like to contact you
2. **Protection** - It is important to ensure your current protection plans and provisions remain in line with your requirements, which may change over time.
3. **Mortgages** - If we do not review your borrowing, you may end up paying more than you need to for your loans. We aim to contact you before any special terms of your mortgage expire. We encourage you to contact us should your financial circumstances change in the meantime.

We will make reasonable endeavors to contact you. Please be aware that should we not be able to review your mortgage before the end of any special term, this may result in you paying considerably more for your loan.

Unregulated Mortgages

It is important to point out that not all mortgage loans and services are regulated by the Financial Conduct Authority. Some of the advice and services we provide may relate to loans which are either unregulated or have limited consumer protection.

We will confirm to you if any product we are recommending is not regulated by the FCA.

You should note that if we are arranging a "Buy-to-Let" mortgage for you, it is very important to understand that very few Buy-to-Let mortgages are regulated by the Financial Conduct Authority (FCA).

We will confirm to you if any product we are recommending is a Business Loan; a Business Buy-to-Let; or a Consumer Buy-to-let loan.

Client Categorisation Levels For Your Protection

The FCA has rules which affect the rights you have as a client. In our dealings with you we will be representing you as the client.

By default, we categorise all of our individual clients as 'retail' clients. The range of financial products and investments we recommend are tailored to meet the needs of retail clients. As a retail client, you will have rights under the Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS). These rights will apply to the provision of the advice we provide.

In most cases these rights will also apply to the products we recommend. However, there are some exemptions for specialist products such as Enterprise Investment Schemes and Venture Capital Trusts. Your adviser will let you know if the product recommended will not have rights under the FOS or FSCS.

There are other client categorisations that don't have these rights. These are "professional" clients and "eligible counterparties".

You may have the right to be categorised as a professional client and revoke your retail client status on request. Should you feel you have the skills, knowledge and experience to be a professional client and don't wish to have the same protection afforded to retail clients (as explained above), please let me know and we will complete the forms necessary to re-categorise you.

If you have any questions regarding your categorisation (e.g. if you are a large company), please write to Quilter Financial Planning Ltd Compliance Department, Quilter Financial Planning Limited, Riverside House, The Waterfront, Newcastle upon Tyne, NE15 8NY or using the contact details above.

Client Money Peace of Mind

We do not handle Client Money. We never handle cash and will only accept a cheque made out to us in settlement of Advice and Service Charges. Our preferred method of payment is via bank transfer.

Your Duty of Disclosure

Any financial advice we provide will be based on your personal financial circumstances and objectives. It is important that the information you give us is both accurate and a true reflection of your current circumstances.

It is your responsibility to provide complete and accurate information to a provider (a provider being for example, an organisation that provides insurance, mortgage, or investment related plans).

It is important that all statements made on any proposal form, or on any additional documentation are full and accurate.

Please be aware that if you fail to disclose any relevant information, or any change of circumstances to a provider, then the terms of your desired plan may be invalidated (e.g. an insurance claim may not be paid). We strongly recommend that the information you provide is checked thoroughly prior to submission.

Client Risk

Any specific warnings relevant to particular products will be provided to you in your Suitability Advice Report and/or your Demands and Needs Statement collectively (Written Advice).

Mortgage and Protection Advice and Recommendations Scope

Any mortgage or protection advice your adviser provides will be based on your personal financial circumstances and objectives. We will confirm these and the reasons for any recommendation in your Written Advice

If you have asked for any restrictions on the types of investment or the markets you wish to invest in, these will be confirmed in your Written Advice. We will always make it clear when products are not within the 'regulated' scope and advise you of your rights.

Paying for Advised Services

Full details of the final Advice will be provided in the Suitability Advice Report. Details of any fees payable and future service agreements will be provided in the '**Authority to Proceed**' document prepared for you by your Adviser. You will be asked to sign and return a copy of this document to confirm your understanding and acceptance of the arrangements.

Other costs, including taxes, related to transactions may arise that are not paid via us or imposed by us. For further details on how to pay for our services, please read the "Guide to Our Services". There are no additional charges for our services for using a means of distance communication.

Cancellation / Termination of Authority

You can cancel these terms of business at any time without penalty. This will not affect any outstanding transactions being carried out on your behalf and you may still have to pay a fee to us – see Refund of mortgage fees above.

To cancel these terms of business you should notify us using the contact details above. The Ongoing Service or our authority to act on your behalf can be cancelled at any time without any penalty by email or post using contact details above. These methods ensure we have an audit trail for your instruction.

Language

Unless agreed by us at outset all communication will be completed in English. We will communicate in a manner that is convenient to you, this could include Face-to-Face meetings, Post, E-mail and by telephone using the contact details above.

Location of Advice

All advice will be conducted in the UK. We do not have permissions to give advice when either you or I are located in any location (outside the UK).

Timing of Written Reports

Mortgage Advice: I will send you a Suitability Advice Report setting out the reasons for my recommendation within 15 days of making that recommendation.

Protection Advice: I will send you a Demands and Needs statement setting out the reasons for my recommendation, before the policy starts.

VAT

The service we provide is described as an 'intermediation' service. This means we provide advice with the intention of acting between you and a product provider to arrange a financial product or service. If we did not do this we would be liable for VAT on the fees charged. VAT is not applicable on the fees we charge for intermediation services. In arranging the sale of retail financial products an adviser fee made for advice, even if you decide not to proceed with the purchase of the recommended product, will remain VAT free where the adviser has provided you with full advice services up to that point, including all relevant documentation.

In the event that the advice services we provide become ancillary to our intermediation services, VAT may become chargeable (e.g. we review your entire financial circumstances but make no or limited recommendations).

Should this change in the future, and where VAT becomes due, we will notify you before conducting any further work. In any case, where VAT is payable on our services it will be charged in addition to the agreed fee.

Declaration of Other Interests

To ensure that Client interests are always put first, we operate a robust Conflict of Interest and Inducements Policy. If a potential conflict of interest does arise it will be actively managed, and we have arrangements in place to ensure that all our clients are treated fairly. If we feel that our interests conflict with yours, you will be contacted and we will obtain your consent to proceed. Our full conflict of interest policy is available on request.

Minor Non-Monetary Benefits

We are not able to receive or retain any inducements from a product provider. Should we receive any additional fee, commission or monetary or non-monetary benefit as a result of

a recommendation made to you, we will return this to the product provider or transfer it to you (as appropriate) and attempt to stop further payments or inducements being received.

Our Ownership

Quilter Financial Services Limited and Quilter Mortgage Planning Limited are part of the Quilter Group. The Quilter Group of companies offer a range of pension, protection and investment solutions through both a UK and International platform. This may rise to a potential conflict of interest where a company within Quilter Group has a suitable solution for your needs. If such a situation occurs, I will ensure that my recommendation is the best execution of your needs. I will also highlight the potential conflict of interest at the time of making the recommendation.

If required, you must supply proof of your identity in accordance of the above Regulations. Identity verification checks may include electronic searches of the electoral roll and the use of credit reference agencies, which will result in a soft 'foot-print' on your credit records.

This foot-print is not visible to other financial service providers and does not affect your credit rating in anyway. In accordance with the Data Protection Act 2018 acceptance of these terms and conditions represents your permission for us to access this information
